Dear Valued Customer:

This letter is to confirm compliance and exemption of Mueller Brass Company and its copper alloys (brass) products to *Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 (RoHS II)* on the restriction of the use of certain hazardous substances in electrical and electronic equipment sold into the EU countries.

As cited in Exemption 6(C) in ANNEX III: Applications exempted from the restriction in Article 4(1); the copper alloys (brass) and products produced by Mueller Brass Company fall under this exemption and can be considered in compliance as all alloys produced have less than 4% lead.

A copy of the directive can be found on our website at:

Please feel free to contact your Territory Representative or Customer Service for further questions or additional information.

Best regards;

Mueller Brass Company
